

Declare.

Why Declare?

Declare combines material transparency and the Red List. It distils complex chemical ingredient information and other key data into an easy-to-read label that empowers specifiers.

By flagging any harmful substances, Declare helps you find and specify Red List Free products, that are responsibly sourced (timber), i.e. healthy for people, communities and the environment.

For interior products Declare additionally provides information on interior performance (emissions that impact indoor air quality).

Life expectancy and end of life options

How long will this product last and what can you do with it when you're finished with it?

Chemical ingredients

What is in this product?

Red List compliance

Are there Red List ingredients in this product?

VOC info

Does this product contain Volatile Organic Compounds, and if so is it within acceptable limits to prevent off-gassing? For liquid products, how many g/L VOCs are contained?

The product 'nutrition' label

Declare helps you and your clients use healthy building materials by showing you:

- Where a product comes from
- What a product is made of
- Where a product can go at the end of its life
- Whether a product contains any toxic ingredients

Benefits

Quickly evaluate products to find the healthiest choice for you and your client. Make a difference with every specification!

Declare is accepted for Green Star, Living Building Challenge, LEED and WELL projects.

Let's all build with products that are healthy for all species throughout time.

Product Name
Manufacturer

Final Assembly: First City, State, Country;
Second City, State, Country; Third City, State, Country
Life Expectancy: 50 Years
Embodied Carbon: # kg CO₂-eq =
Declared Unit: # m²
End of Life Options: Recyclable (95%), Landfill (5%),
Take Back Program (Program Name/Location)

Ingredients:

Your First Component: Sustainably Sourced Ingredient;
LBC Red List Ingredient¹: **Your Second Component:**
LBC Watch List Priority for Inclusion²: Non-Toxic Ingredient;
Undisclosed (<0.1%)²

¹LBC Temp Exception RL-009 Formaldehyde
²LBC Temp Exception RL-004var.a Proprietary Ingredients

Living Building Challenge Criteria: Compliant

I-13 Red List:

☐ LBC Red List Free **% Disclosed:** 99.9% at 100ppm
☒ LBC Red List Approved **VOC Content:** # g/L
☐ Declared

I-10 Interior Performance: CDPH Standard Method v1.2-2017
I-14 Responsible Sourcing: Product Available with FSC Chain of Custody

XXX-XXXX
EXP. 01 OCT 2025
Original Issue Date: 20XX

Third Party Verified
